# WEATHER

## WEATHER SYNOPSIS BY REGION:

### **NORTHERN CALIFORNIA AND CENTRAL COASTAL AREAS:**

#### **Eureka Weather:**

Today high pressure is building into the area and will bring dry conditions, although an approaching warm front may bring some high clouds. Tonight and Monday, this weak warm front may bring some light rain. High pressure and dry conditions return Tuesday through Thursday. Thursday night through the weekend, the wet pattern returns to the forecast area.

#### **San Francisco Weather:**

An upper level ridge will produce dry and mild weather across the region through Thanksgiving Day. Daytime temperatures will warm well above normal by Tuesday. Nights will be cool, especially in the valleys. A weather pattern change is expected to occur late in the week which will result in rain chances by next weekend.

### **CENTRAL CALIFORNIA AND SOUTHERN SAN JOAQUIN VALLEY**

#### **Sacramento Weather:**

High pressure over the eastern Pacific Ocean will begin to strengthen today and then move into the West Coast Monday and Tuesday. Mild weather is expected for much of the week with above normal temperatures.

#### **Hanford Weather:**

Some gusty north winds and lingering light showers in the Tehachapis associated with a weak frontal system will come to an end this morning. High pressure will build over the region behind the exiting system, bringing dry and mild conditions for the next several days with areas of fog in the valley each morning.

# WEATHER

## WEATHER SYNOPSIS BY REGION:

### **SOUTHERN CALIFORNIA:**

#### **Los Angeles Weather:**

There will be a slight chance of showers across the north mountain slopes and partly cloudy skies over the central coast this evening. Otherwise, mostly clear skies can be expected through next week. Offshore winds will persist through at least midweek and will allow for warmer than normal temperatures for the coast and valleys. Some cooling is expected late next week.

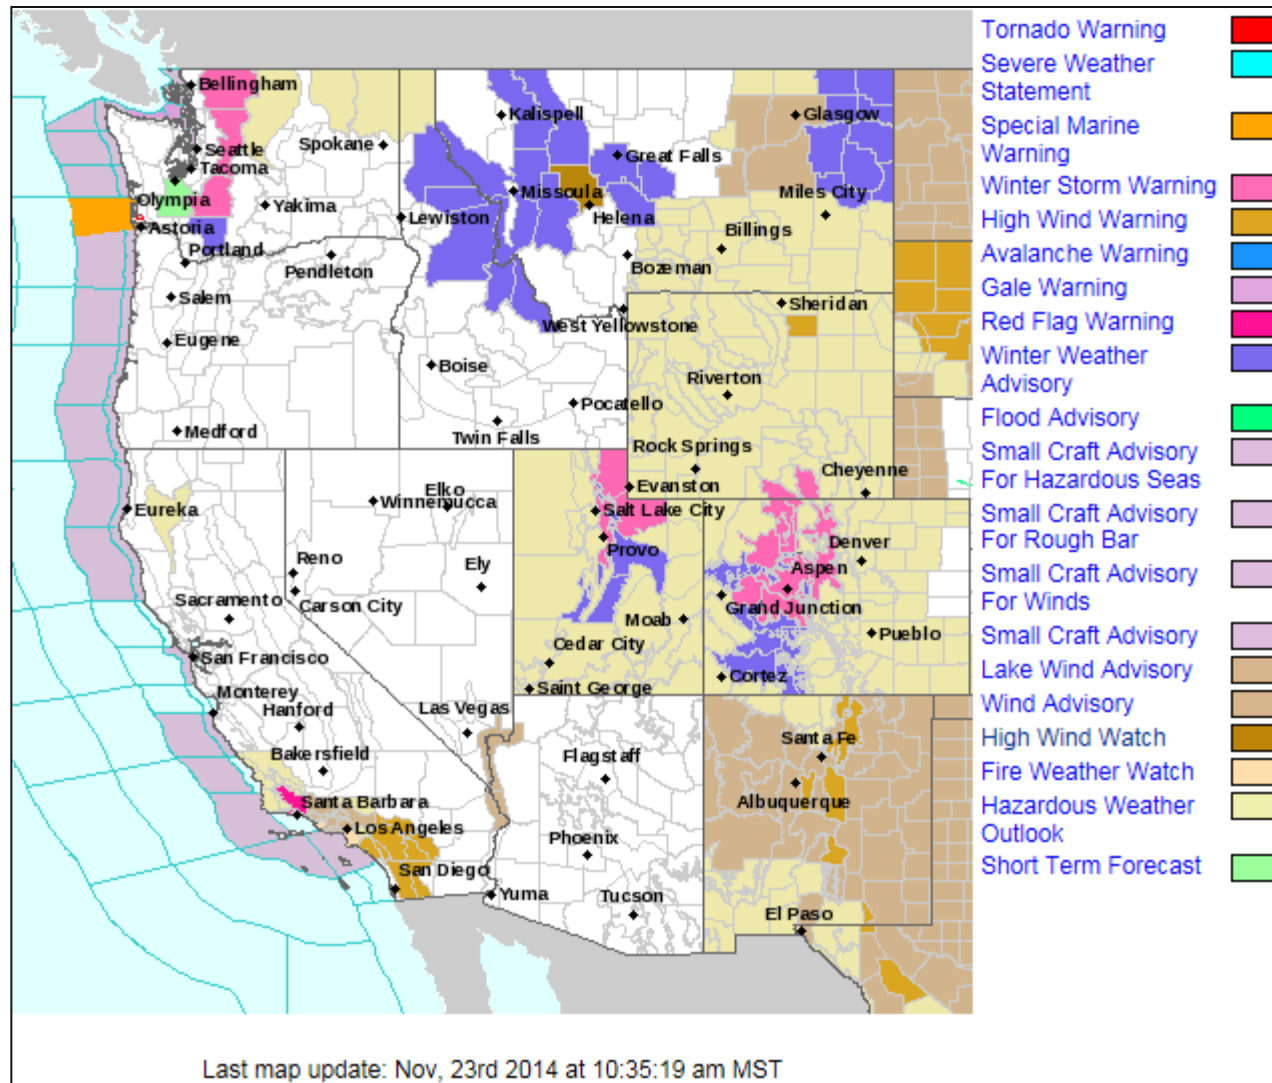

#### **Extreme Southwestern California Including Orange, San Diego, Western Riverside and Southwestern San Bernardino Counties:**

Surface high pressure over the Great Basin and northwest winds aloft will bring periods of strong gusty Santa Ana winds through Tuesday. Gusty east winds will continue in the mountains and valleys of Riverside and San Diego Counties for Wednesday, weakening on Thanksgiving. High temperatures toward the coast will warm into Wednesday and then begin to cool for Thanksgiving into next weekend. Farther inland, temperatures will cool into Tuesday, warm for Wednesday and Thanksgiving, then cool into next weekend.

#### **Southeast California Weather:**

For this weekend and into early next week, dry northwest flow aloft will bring mostly sunny days, clear nights, and near seasonal normal high temperatures to the forecast area. High pressure will rebuild over the region by the middle of next week providing clear skies and well above normal afternoon temperatures. No precipitation is expected for at least the next seven days.

# **RECOVERY ACTIVITIES**

## **Boles Incident Vegetation Fire- City of Weed, Siskiyou County**

### **Recovery Activities**

- On 10/01/14, the U.S. Small Business Administration (SBA) approved a disaster declaration making SBA assistance available in the primary County of Siskiyou and the contiguous counties of Del Norte, Humboldt, Modoc, Shasta, and Trinity, making low-interest federal disaster loans available to homeowners, renters, businesses of all sizes and private nonprofit organizations whose property was damaged or destroyed by the Boles Fire. The filing deadline to return applications for property damage is 12/01/14. The deadline to return economic injury applications is 07/01/15.
- On 10/06/14, the Governor issued Executive Order (EO) B-27-14, which provides CDAA, and debris removal assistance, including the suspension of rules and regulations impacting debris removal. The EO also provides the ability for nonprofit organizations to seek reimbursement for extraordinary activities through the State Private Nonprofit Organizations Assistance Program. The VAL is working with nonprofit organizations on seeking reimbursement.
- The Cal OES VAL continues to coordinate and participate in Long Term Recovery Group (LTRG) meetings with NGO, Faith Based, and local agencies. Shasta Community Foundation was identified as a fiscal agent for the group. Individuals needing assistance should be directed to the Family & Community Resource Center of Weed located at 260 Main Street, Weed. Funding organizations will assist with unmet needs through the case management process. The VAL continues to work with the Weed LTRG in identifying resources and gaps in services.
- The VAL participated in a meeting with the CA Human Development agency and the Great Northern Services to discuss potential use of drought funding to assist fire survivors with rental and utility payments. Great Northern Services will work with the VAL to identify the need for assistance. If funding is approved, payments will be made directly to the landlord and or utility company. The rental and utility needs of residents affected by the Happy Camp fire will also be captured.
- The College of the Siskiyou's website contains a Fire Resource List of various local agencies offering goods and services. The document can be found at <http://www.siskiyous.edu/humanresources/documents/fireresourcelist.pdf>. Additional information on recovery efforts can be found at <https://weed.recovers.org/>.
- Food donations are being accepted at 310 Boles Street.
- The hazardous tree removal and erosion control processes have begun on properties where a Disposition of Tree Agreement (DTA) has been executed. Work is expected to be completed by 12/31/14.
- Debris removal for all participating properties is complete. Several properties tested higher than allowable for metals. Cal Recycle plans to perform additional scraping of these lots.
- On 10/28/14, the City of Weed reestablished water pressure to its downtown area; however, the water storage capacity for fire suppression is still lacking. The City expects water storage to be restored by 12/31/14, or sooner if the weather permits.

# **RECOVERY ACTIVITIES**

## **Boles Incident Vegetation Fire- City of Weed, Siskiyou County**

### **Cal Recycle reports:**

Debris removal is completed on all 134 and 134 sites have met the cleanup goals for the project. The professional tree faller continues to remove large trees that are determined to be a hazard. The majority of the project is estimated to be completed by November 26, 2014, with a small crew returning on the first week of December to finish remaining tasks. A total of 29,651.21 tons of debris was removed (484.82 tons of metal delivered for recycling; 8,210.82 tons of concrete delivered for recycling; and 20,955.57 tons of debris, ash and soil delivered for disposal).

To date:

- 134 Sites registered for the removal project (Right-of-Entry, includes library, community center and 2 churches).
- 11 Sites denied entry.
- 134 Sites documented.
- 134 Asbestos surveys completed.
- 65 Sites with asbestos containing material.
- 65 Sites cleared of asbestos containing material.
- 134 Debris removal completed.
- 134 Sites sampled.
- 126 Sample results approved.
- 122 Sites with erosion control completed.
- 122 Sites approved by City of Weed as ready for a building permit.

### **Cal OES Deployments**

- One (1) Cal OES Recovery staff is assigned.

# **RECOVERY ACTIVITIES**

## **Magnitude 6.0 Earthquake, American Canyon, Napa County**

- Cal OES and FEMA announced that the Major Disaster declaration for the South Napa earthquake will also include the Individuals and Households Program under the Stafford Act. This amendment makes assistance available to help homeowners and renters recover from the earthquake.
- Low-interest federal disaster loans are now available to California residents and business owners as a result of President Obama's major disaster declaration. The declaration covers Napa and Solano counties as a result of the South Napa Earthquake and aftershocks that occurred August 24 – September 7, 2014.

## **Recovery Activities**

- The deadline for Cal OES to submit the Request for Public Assistance of potential applicants to be considered for reimbursement for this event ended, 10/24/14. Sixty-one (61) RPAs have been received and nine (9) have withdrawn for a total of fifty-two (52) RPAs submitted to FEMA. Thirty-seven (37) Kickoff Meetings have been completed and five (5) kick-off meetings have been scheduled for this week and next week. There are six (6) kickoff meetings yet to be scheduled for PNPs that have now been approved. It is currently scheduled that all kickoff meetings will be complete by 11/21/2014.
- The Napa Long Term Recovery Committee (LTRC) is in the process of forming its leadership, establishing policies and procedures, and identifying a Mission statement. A follow up meeting is pending.
- Cal OES IA Voluntary Agency Liaison (VAL) continues NGO coordination in Solano County. The Vallejo Earthquake Recovery Group (VERG), a long term recovery group, has formed and has established by-laws and elected an Executive Board. United Methodist Committee on Relief (UMCOR) will provide case management training to local organizations. A representative from the Solano Community Action Partnership will contact individuals who visited the Solano Information Center to notify them of the opening of the Disaster Recovery Center (DRC).
- Local Assistance Center (LAC): County and City of Napa: LAC opened on 09/08/14 at 301 1st Street, Napa (corner of 1st Street and Silverado Trail). On October 29, 2014, FEMA and SBA provided representatives in the Napa LAC. On October 30, 2014, the Disaster Recovery Center in the City of Vallejo opened. The LAC and DRC are open until further notice. The operational hours for both centers are Monday – Friday 9 AM to 6 PM; Saturdays 9 AM to 4 PM; Sundays closed; In addition, both centers will be closed on November 27, 2014, and November 28, 2014, in observation of Thanksgiving.
- The California Small Business Development Centers (SBDCs) have partnered with SBA and are providing services at no charge to assist small businesses impacted by the disaster with financial counseling, management and technical assistance, business planning, reconstructing damaged or destroyed business records, rewriting business plans, etc.

# CAL OES 2014 DROUGHT

## Cal EOC Incident – 2014 Drought

- The SOC, Inland, Coastal, Southern REOCs and the Santa Barbara County EOC are activated in support of the Drought State of Emergency Monday and continue to monitor the situation.
- The Governor issued an Executive Order on 09/19/14, to streamline relief efforts for families with drinking water shortages due to drought. Specifically, through the California Disaster Assistance Act, to provide temporary water supplies to households without water for drinking and/or sanitation purposes.
- CDAA 2014 Drought Fact Sheet and Frequently Asked Questions provided to Regions for reference and distribution.
